Ms. Martha Boynton DESIGN CRAFT FABRIC CORPORATION 2230 Ridge Drive Glenview, IL 60025

Reference: Laboratory Test Report Lab Identification No. 47396 Invoice No. 78669

Dear Ms. Boynton:

One (1) fabric sample, identified as **STYLE: JET SET, COLOR: S313,** was received and tested in accordance with the National Fire Protection Association No. 701, "Standard Methods of Fire Tests for Flame Propagation of Textiles and Films, 2019 Edition, (Test 1)". *Per your request, the sample was tested after five (5) commercial laundering cycles at 160F (Tumble Dry).* The results are as follows:

| Test Results    |                             |                          |
|-----------------|-----------------------------|--------------------------|
| Specimen Number | Residual Flame<br>(seconds) | Weight Loss<br>(percent) |
| 1               | 0.0                         | 12.42                    |
| 2               | 0.0                         | 18.07                    |
| 3               | 0.0                         | 18.07                    |
| 4               | 0.0                         | 14.38                    |
| 5               | 0.0                         | 17.13                    |
| 6               | 0.0                         | 17.51                    |
| 7               | 0.0                         | 18.23                    |
| 8               | 0.0                         | 14.99                    |
| 9               | 0.0                         | 18.71                    |
| <u>10</u>       | <u>0.0</u>                  | <u>15.40</u>             |
| AVG             | 0.0                         | 16.49                    |

The sample submitted **meets** the minimum requirements of the above standard. The average percent weight loss cannot exceed 40% and the weight loss of individual specimens cannot exceed mean value plus three standard deviations. The average residual flame cannot exceed 2.0 seconds.

If there are any questions or when we can be of further assistance, please let us know.

Sincerely,

Brian S. Dement
